

MOTHERS & DAUGHTERS

Hamel Family of West Warwick, RI

Ever wonder what your ancestors looked like? Did they look like you? Do you look like them? Will you look like them when you get older? Examine the photos in this chapter and decide for yourself. The study presents photos taken of Hamel family women from 1906 to 2006. The photos represent only direct descendants: grandmothers, mothers, daughters, and granddaughters. Other photo studies include *Hamel Family Mothers & Daughters*; *Landry Family Fathers & Sons*; *Landry Family Mothers & Daughters*; and *A Life in Photos--a detailed photo collection of the men and women of both the Hamel and Landry families of Rhode Island*.
