Landry Family of Warren, RI

Ever wonder what your ancestors looked like? Did they look like you? Do you look like them? Will you look like them when you get older? Examine the photos in this chapter and decide for yourself. The study presents photos taken of Landry family men and from 1906 to 2006. The photos represent only direct descendants: grandfathers, fathers, sons, and grandsons. Other photo studies include *Landry Family Mothers & Daughters*; *Hamel Family Father & Sons*; *Hamel Family Mothers & Daughters*; and *A Life in Photos—a detailed photo collection of the men and women of both the Hamel and Landry families of Rhode Island*.
